

2007-2008 INDEX

This index covers reports published in *Which?* Holiday in 2007 and 2008. We have omitted reports that are now irrelevant and those that have been superseded by more recent ones.

HOW TO USE THE INDEX Each entry shows the year of publication, as well as the issue and the page number.

So, for example, you'll find the destination report on Tasmania in the 2007 January issue on page 34, and a general report on Car hire abroad in the 2008 May issue on page 10.
